

MORE ABOUT CANA

Cana is a mission of the Chemin Neuf (“new way”), an ecumenical Catholic community that grew out of a prayer group in Lyon, France in 1973. It now has over 2,000 members in 30 countries in Europe, Africa, Asia, the Americas, and the Middle East. Couples, families, singles, and celibates have chosen the adventure of community life to follow Christ and serve the Church, the Gospel, and the world.

The Chemin Neuf community has a passion for unity of all kinds, especially unity among Christians. The community is influenced by the spirituality of St. Ignatius of Loyola and by the Charismatic Renewal.

After the Cana Week, you have the opportunity to continue meeting with other couples who have participated in the Week. The meetings take place approximately monthly in small sharing groups that seek to nurture Christian life within couples and families. The aim is encouraged by sharing, prayer and fellowship.

CANA WEEK

We live in a fast-paced, high-stress society. Setting time aside for your marriage is difficult, but doing so could provide some much needed “breathing space,” renewal or even a turning point in your relationship.

Cana Week is a six-day retreat for married couples to nurture, encourage and strengthen their marriage and deepen their spiritual life. The week includes teachings, prayer, alone time together as a couple, relaxation and celebration.

The Cana Week is also an opportunity to meet and share with other couples. It is open to Christians of all traditions, as well as couples who do not identify as Christian.
